

Town of Grifton

Honorable Mayor
Billy Ray Jackson

Board of Commissioners

Buddy Albritton
Mary Grace Bright
Mike Coles
Will Barnes
Sammy Whitehurst

Town Manager
Joe Albright

Greetings! This newsletter contains some important information and reminders for our community.

GRIFTON STREETS IMPROVEMENT PROJECT

In November of last year, the voters of Grifton approved a \$1.94 million Bond package to be used to repair and resurface all Town owned streets. Over the next several months, surveying and engineering will be taking place to prepare the necessary documents, permits and bid specifications. We expect work to begin in late summer or early fall.

It's Time to "Eat Mo Shad"!

For the 44th year in a row, Grifton will play host to the Shad Festival. This year's Festival will take place the week of April 7th, with most events occurring on the 12th. Fun can be had by kids of all ages, young and old. If you want to "toss a shad" or simply enjoy live entertainment, this Festival is the place to be. Vendors will be on hand with a variety of great food, arts & crafts, and much more. Come and enjoy the fun and fellowship!

The Town of Grifton 2013 Annual Water Quality Report is now available.

The report can be viewed in its entirety at <http://grifton.com/departments/public-utilities/water-report/>

Flood Plain Questions?

The Town of Grifton participates in the Nation Flood Insurance Program (NFIP). This means that if your property is located in the Special Flood Hazard Area, you may qualify for federally backed flood insurance. To find out if your property qualifies for this important benefit, please call or visit the Grifton Town Hall for more information. The flood plain designation specific to your property can also be found online at <http://gis2.pittcountync.gov/opis/>. Additionally, the Town of Grifton provides a great deal of information concerning Flood Insurance, Flood Safety, Flood Proofing and more at <http://www.grifton.com/community/flood-protection-plan/>.

Dogs Running At Large

The Town would like to remind citizens with dogs that it is unlawful to allow dogs to run at large within the town limits. Any dog found to be running at large within the town will be picked up by the Grifton Police Department. Dog owners who violate the Town's animal control ordinance will be issued a citation for such violation. Please help us protect the well-being of your pets and the well-being of the community by obeying the Town's animal control ordinance. If you have questions regarding this or any other provision in the Town's animal control ordinance, please contact the Grifton Police Department at (252) 524-4161.

Keep Grifton Beautiful!

The Town of Grifton wishes to encourage all citizens and business owners to help make and keep Grifton beautiful. While town officials and volunteer organizations work hard every day to make the town visually appealing, all citizens need to work together to keep our community beautiful. Please take steps to regularly mow and maintain yards and other property. Take steps to ensure that trash, debris, and other refuse does not accumulate on your property. Overgrown grass and debris on property is not only a violation of town ordinance, but it is a public health nuisance that serves to harbor rodents and other vermin. By working together, we can all create and maintain a beautiful community!

Reminder Section:

The Town of Grifton **does not** provide large bulk item or white good collection. Large items and white goods can be taken to the Pitt County landfill station located on Weyerhaeuser Road. Any person placing large items or piles of limbs that are over the size limits on the roadside will receive a notice from the Town of Grifton to have these items removed. If they are not removed within 3 days after the date of the notice, the Town will have them removed and bill the property owner for the expense. If you have any questions regarding trash pick-up, please contact the Town Hall at (252) 524-5168.

The Town has a **junk car** ordinance that the Police Department and Town Manager are responsible for enforcing. The Town's definition of a junk car is: (1). A motor vehicle that does not display a current license plate lawfully upon that vehicle; (2). Is partially dismantled or wrecked; (3) Cannot be self-propelled or moved in the manner in which it was originally intended to be moved; (4) Is more than five (5) years old and worth less than one hundred dollars (\$100.00). Each home is allowed to have one vehicle described above as long as the car is covered with an approved covering and it is located in the rear yard, out of view from the street. If you have any questions concerning this ordinance, please contact the Police Department or Town Hall. Remember, the Town does have the right to remove the vehicle after official notification.

If you have any questions or comments about Town of Grifton services, you can contact the Town Hall at (252) 524-5168.

Grifton is an equal opportunity provider and employer.
